

# Fitted and Foldable Mask INFO SHEET

## Requirements

1 x 10 inch (20cm) square of OUTSIDE FABRIC  
1 x 10 inch (20cm) square of INSIDE FABRIC  
1 x 10 inch (20cm) square of NON-FUSIBLE INTERFACING for LINING  
16 inches (41cm) ELASTIC for ears  
*Optional KAM Snaps and Tool*  
Sticky Tape  
Pins  
Sharp Scissors - or PINKING shears are even better  
Iron

## Prep Work

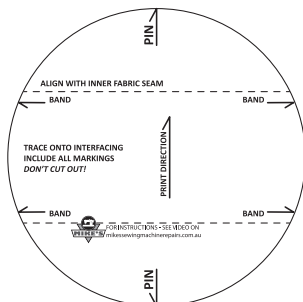

Cut out both pieces of your MASK PATTERN - but only the pattern, NOT the fabric

OUTSIDE FABRIC - no cutting

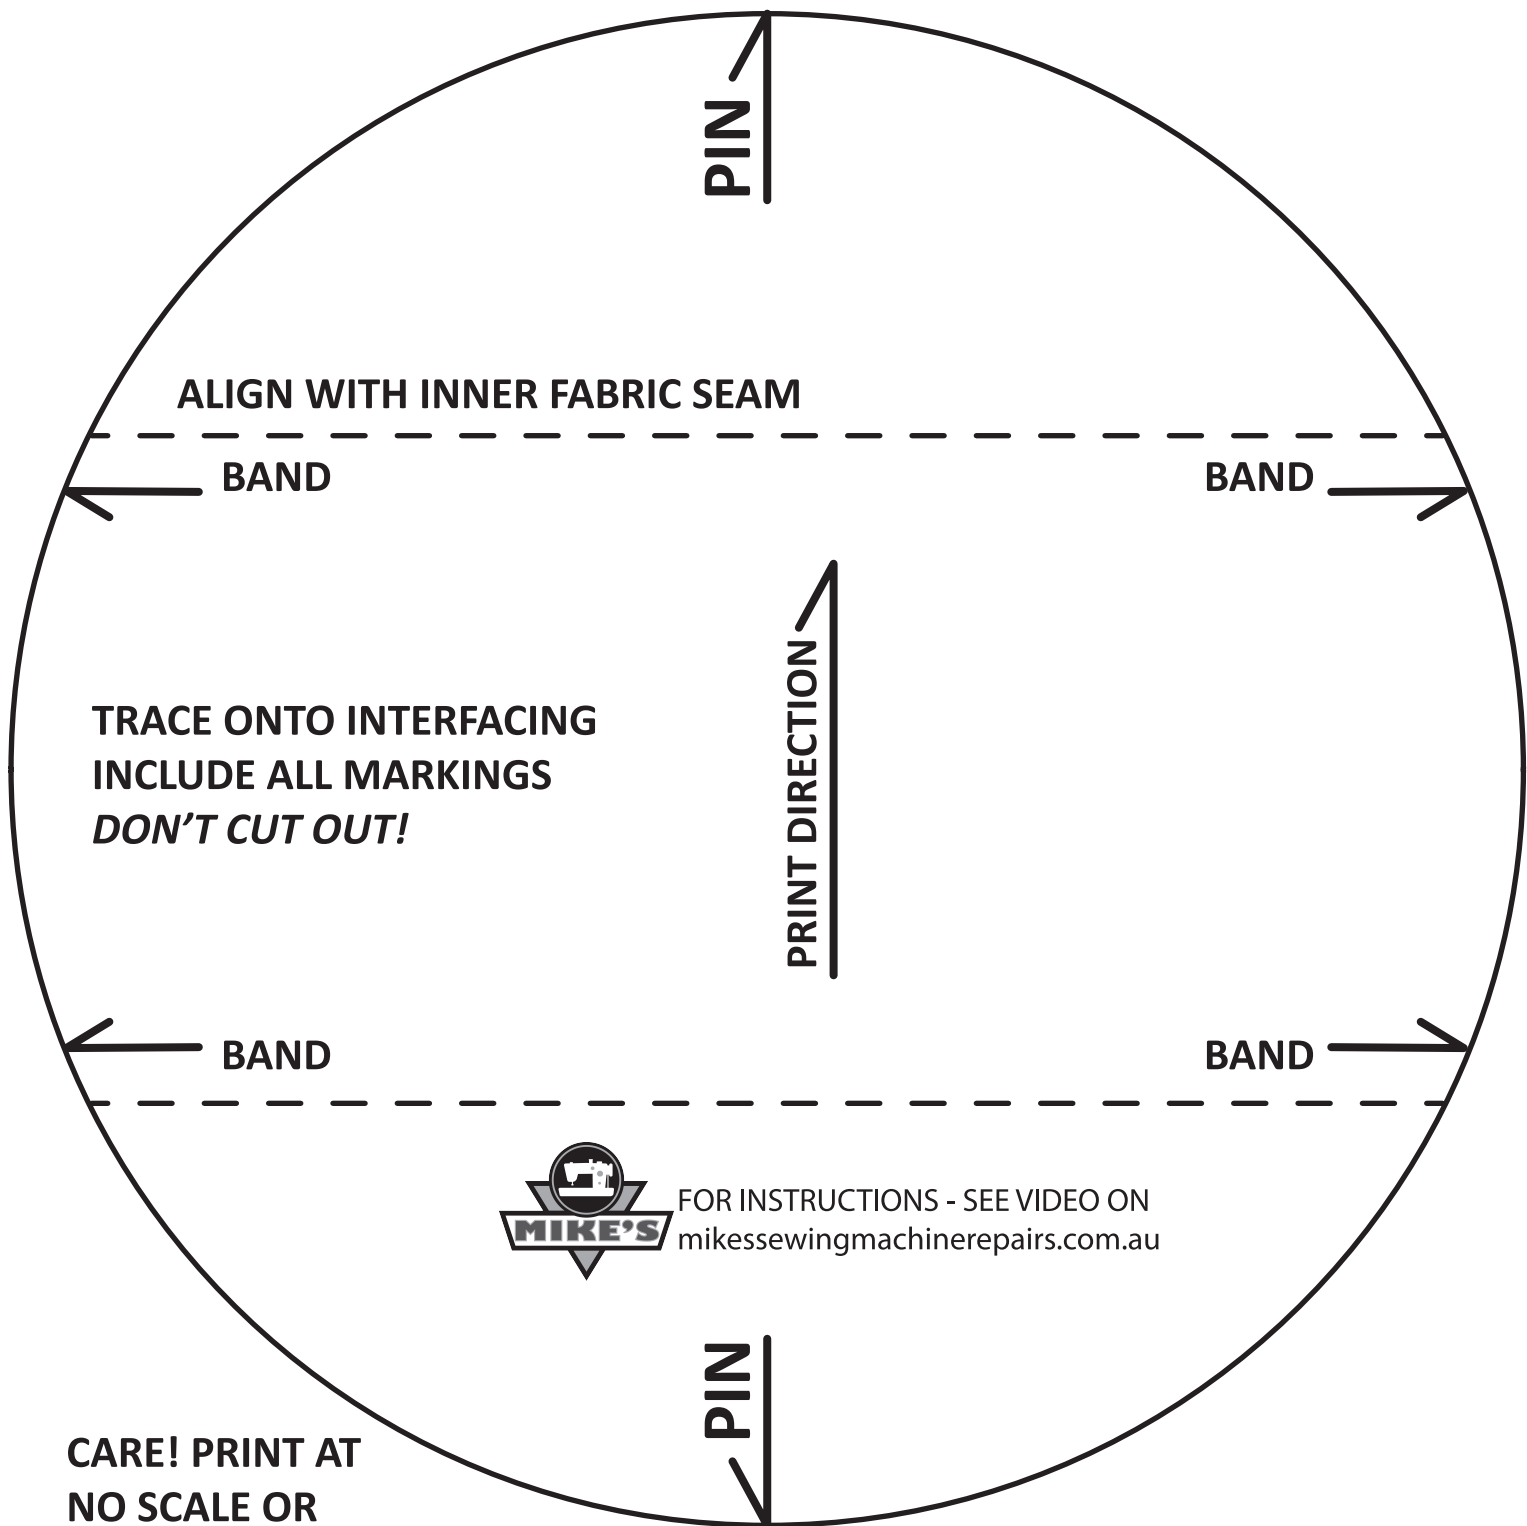

INSIDE FABRIC - cut piece into 3.5 x 10 inches (9cm x 20cm) and 6.5 x 10 inches (11cm x 20cm)

NON-FUSIBLE INTERFACING for LINING - trace all markings from pattern onto the centre of this piece

ELASTIC - if stretchy cut 2 x 7 inches (18cm) but you will need to test this on your first mask
